Build a future with Kumba Iron Ore

Bursaries for 2026 are available in the following fields of study from 1st, 2nd, 3rd, and 4th year of study:

- Industrial Engineering
- Data Analytics
- Surveying
- Mining Engineering
- Mechanical Engineering
- Electrical Engineering
- Geology
- Geo-Tech
- Occupational Hygiene
- Environmental Engineering
- Finance
- Human Resources

Requirements

- Proof of registration from the institution for the qualification in the relevant field of study
- Provisional acceptance from a university
- Academic results
- Strong preference to students who originate from the Northern Cape

Optional requirements

- Driver's Licence: Code B (Light vehicle) must be obtained during the bursary period
- Operational experience in the mining industry during vacation work periods

Applications

Interested and qualifying applicants should apply and upload the necessary documents using the Career Wise website: <https://careerwise.co.za/bursaries/online-application/>

Please use the promotional code: **KIO2026** when registering profile.

Closing date: Friday 03 October 2025

Incomplete applications will not be considered. Applications will not be considered without the attachment of valid copies of ID, academic results and/or licences required as indicated in the requirements for the bursary.

All applicants are thanked for their interest. If you do not receive feedback from us within 4 weeks from the closing date, please consider your application as unsuccessful. Communication will be with shortlisted candidates only.

Kumba Iron Ore is committed to supporting sustainable economic growth in the local community. We understand that investing in education, employment, skills and business development will help us achieve our commitment. Therefore, preference will be given to candidates that are local to the mining area communities in the Northern Cape that meet all the requirements.
